

REMINDER

It is important that you register with King County Procurement and Contract Services after downloading documents from the RFPs, RFQs & ITBs website. Failure to notify us will result in you not being notified of any addenda, which may result in rejection of your bid/proposal as non-responsive.

To register and download files, refer to the bottom of this document.

King County is requesting Proposal Submittals from qualified firms interested in providing predesign engineering and project related services for the Barton, Murray, Magnolia, & North Beach Combined Sewer Overflow (CSO) facilities.

The Request for Proposals, all addenda and current document holder's list are available on the internet at www.metrokc.gov/procurement/rfp_rf_q_itb/new_cons_u.aspx. The County will no longer mail, ship or fax RFPs and addenda.

Interested firms *must* register with the County at time of download and ensure that a valid contact email address is given. Notification of addenda will be sent to the registered email address. Failure to register will result in the proposer not being notified of any addenda, which may result in rejection of the proposal as non-responsive.

The estimated value of this contract is \$3,000,000. The County plans to negotiate the CSO planning and predesign phase of this project only. The County plans to issue one contract. King County will not amend this contract for final design and construction services. King County will conduct new separate contract procurements for the final design and construction services phases for each CSO facility.

Contract Title: Barton, Murray, Magnolia, and North Beach Combined Sewer Overflow Facilities

Number: E00022E06

Proposals due: June 21, 2006

Time: 5:00 p.m.

Pre-proposal Meeting: May 31, 2006

Time: 11 a.m.

Location: King Street Center, 5th Floor Conference Room 5B&C, 201 S. Jackson Street, Seattle, WA 98104

Any firm failing to submit information in accordance with the procedures set forth in the Request for Proposal may not be considered responsive and may therefore be subject to disqualification by King County.

SUMMARY OF WORK: Under this contract, the Consultant will provide predesign engineering and project related services for the Barton, Murray, Magnolia, & North Beach Combined Sewer Overflow (CSO) facilities. Services to be provided will include but not be limited to, CSO flow analysis, project alternative development and siting, geotechnical investigations, survey and mapping, and cost estimating. The Consultant will provide services as necessary for the environmental review process, permitting, community relations, and property and easement acquisition.

SUBCONSULTANT OPPORTUNITIES: Provided for informational purposes only, following are subconsulting opportunities that may be available on this Contract: environmental compliance, permitting, community relations, geotechnical investigations, survey & mapping, property survey and acquisition.

This project may be funded, in part, by the U.S. Environmental Protection Agency (EPA) and the state of Washington through the Clean Water State Revolving Fund (SRF) Program. In accordance with EPA's policy on the utilization of socially and economically disadvantaged individuals and disadvantaged business enterprises in procurement, the Contractor shall make good faith efforts to ensure to the fullest extent possible that it subcontracts at least **10%** of the contract value to Minority Business Enterprises (MBEs) and **6%** of the contract value to Women Business Enterprises (WBEs).

Neither the United States nor any of its departments, agencies, or employees is or will be a part of this Request for Proposals or any resulting contract. This procurement any resulting contract will be subject to regulations contained in 40 Code of Federal Regulations (CFR) Part 31.

Refer to the Non-discrimination and Affirmative Action Section of the Request for Proposals for full discussion of the application of the non-discrimination and affirmative action provisions to subconsulting opportunities and the other non-discrimination and affirmative action requirements the Consultant shall comply with.

RESTRICTIONS AND COMPETITION: The prime consultant on this contract shall not be on the project team (either as a prime or a subconsultant) for the final design and shall assume that it will not be able to participate in construction management services contracts that may result from the projects in this contract. Depending on the outcome of the predesign and final design, King County may reconsider a prime's ability to participate in construction management services. The County will evaluate the role of subconsultants that participate on this contract to determine if participating in final design and/or construction management services would create a conflict of interest or unfair competitive advantage in competing for future design work and/or construction management services.

QUESTIONS: Questions concerning this solicitation should be directed to **Frances Gaucin, Contracts Specialist** at 206-684-1342 or email Frances.Gaucin@METROKC.gov, TTY Relay: 711. The Proposer may be requested to submit the question in writing. No verbal answers by County personnel will be binding on the County.

This information is available in alternate formats for individuals with disabilities upon advance request by calling 206-684-1327, TTY Relay: 711.
